ISSUE 4: MARCH - DECEMBER 2020

WELCOME FROM OUR EXECUTIVES

Alan Ager, CEO

Richard Carter, Director

It has been a very trying 6 months for everyone concerned with the ongoing COVID-19 pandemic.

We have persevered and continued trading throughout these difficult times, with various changes within our staffing team.

We have various ongoing projects which we are aiming to complete before the Christmas break.

Our quoting department is also extremely busy working on tenders, to attain works for 2021.

Our back office team are extremely busy with our annual audits, as we previously stated in our last newsletter. We have now obtained our CHAS certification for another year and also passed our annual NICEIC inspection and have our Construction Line audit coming up very soon.

Keep an eye out for our upcoming newsletter for more updates

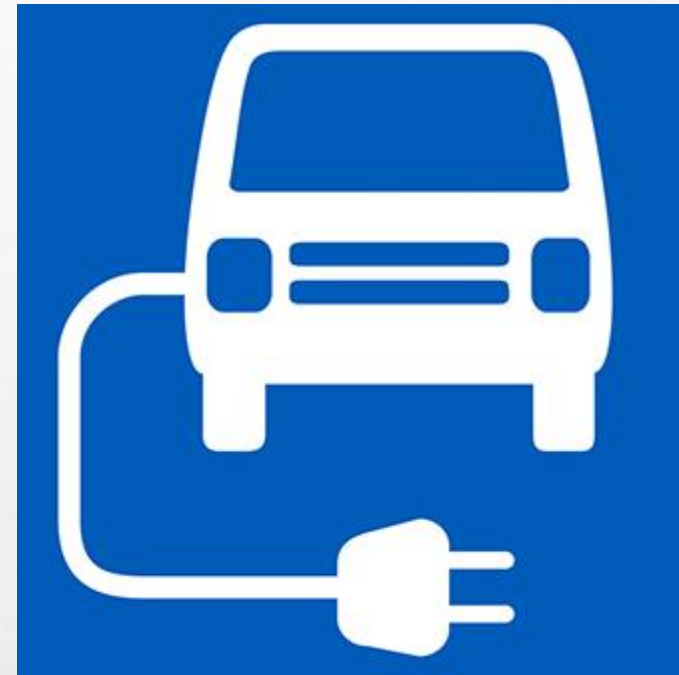

CAR CHARGING

We are a certified Rolec Car Charging Point Installer, fully approved by the government for the following;

PAPERLESS

Our aim is to go paperless and to reduce our printing.

Our accounts team are no longer printing and filing the invoices and paperwork, we now file these digitally within our server.

It's our way to help save the planet!

CHRISTMAS CHARITY

As promised, we decided against Christmas cards last year, and donated money to Spinal Research.

Attached is our Certificate of Thanks, from a very grateful charity.
